To the holders of ordinary shares in the Company

Dear Shareholder,

Notice of Annual General Meeting

I am pleased to be writing to you with details of our Annual General Meeting (‘AGM’) which we are holding at the offices of RBS, 250 Bishopsgate, London EC2M 4AA on 3 May 2012 at 12.00 noon. The formal notice of AGM is set out at the end of this letter on pages 3 to 5 of this document together with explanatory notes relating to the resolutions to be proposed at the AGM.

Re-election of directors

Our Articles of Association require each director to submit himself/herself for election by shareholders at the first annual general meeting after his or her appointment and for re-election at every third annual general meeting thereafter. However, as recommended by the UK Corporate Governance Code, all of the continuing directors will stand for re-election at the AGM irrespective of their date of appointment and length of service on the Board. The directors’ biographies are set out on pages 46 and 47 of the Company’s report and accounts 2011.

Changes to the Morgan Sindall Executive Remuneration Plan 2005

The Company’s Remuneration Committee has reviewed its policy under the existing long-term incentive plan for senior executives and has proposed certain changes. As part of the package of changes, shareholder approval is being sought under Resolution 19 to increase the maximum value of awards to individuals in the Morgan Sindall Executive Remuneration Plan 2005 rules. Further details of these changes are set out in Appendix 1 and a full summary of our remuneration policy for executive directors is set out in the directors’ remuneration report on pages 53 to 58 of the Company’s annual report and accounts 2011.

Attendance and voting

I very much hope that you will be able to join us at the AGM. Whether or not you are proposing to attend and vote, I would encourage you to fill in the proxy form sent to you with this notice and return it to our registrars as soon as possible or to vote online at www.capitashareportal.com. The registrars must receive your proxy by 12.00 noon on 1 May 2012.

Recommendation

The directors of the Company consider that all the resolutions to be proposed at the AGM are in the best interests of the Company and its shareholders as a whole. They will be voting in favour of them in respect of their beneficial holdings and unanimously recommend that you do so as well.

Yours faithfully,

John Morgan
Executive Chairman

2. Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A proxy form, which may be used to make such appointment and give proxy instructions, accompanies this notice. A shareholder may appoint more than one proxy in relation to the annual general meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. To appoint more than one proxy you may photocopy the form accompanying this notice. Please indicate the proxy holder's name and the number of shares in relation to which he or she is authorised to act as your proxy (which, in aggregate, should not exceed the number of shares held by you). Please also indicate if the proxy instruction is one of multiple instructions being given. All forms must be signed and should be returned together in the same envelope. A failure to specify the number of shares to which each proxy appointment relates or specifying a number in excess of those held by you may result in the appointment being invalid. If you do not have a proxy form and believe that you should have one, please contact Capita Registrars on 0871 664 0300 (calls cost 10p per minute plus network extras (lines open 8.30am to 5.30pm Monday to Friday)) or email ssd@capitaregistrars.com. If calling from overseas please call +44 20 8639 3399.
3. To be valid any proxy form or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at Capita Registrars, The Registry, 34 Beckenham Road, Beckenham Kent BR3 4TU no later than 12.00 noon on 1 May 2012.
4. Shareholders may vote electronically, by no later than 12.00 noon on 1 May 2012, by visiting www.capitashareportal.com. You will be asked to enter the Investor Code shown on your proxy card and agree to certain terms and conditions. CREST shareholders may lodge their proxy via the CREST system (see notes 10 to 13).
5. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in note 11 below) will not prevent a shareholder attending the annual general meeting and voting in person if he/she wishes to do so.
6. Any person to whom this notice is sent who is a person nominated under section 146 of the Act to enjoy information rights ('a Nominated Person') may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the annual general meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
7. The statement of the rights of shareholders in relation to the appointment of proxies in paragraph 1 above does not apply to Nominated Persons. The rights described in that paragraph can only be exercised by shareholders of the Company.

8. To be entitled to attend and vote at the annual general meeting (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at 6.00 pm on 1 May 2012 (or, in the event of any adjournment, on the date which is two days before the date of any adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
9. As at 5 March 2012, the last practicable day prior to the date of this notice, the Company's issued share capital consisted of 43,219,154 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at that date are 43,219,154.
10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members and those CREST members who have appointed a service provider(s) should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
11. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message ('a CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent, Capita Registrars Limited (ID RA10), by 12.00 noon on 1 May 2012. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
12. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
13. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.
14. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
15. A corporation must execute the form of proxy under its common seal or the hand of a duly authorised officer or attorney. The power of attorney or authority (if any) should be returned with the form of proxy.
16. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

17. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.
18. Under section 527 of the Act, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the annual general meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the annual general meeting includes any statement that the Company has been required under section 527 of the Act to publish on a website.
19. Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
20. A copy of this notice, and other information required by section 311A of the Act, can be found at www.morgansindall.com.
21. Any electronic address provided either in this notice or any related documents (including the form of proxy) may only be used for the limited purposes specified herein and not to communicate with the Company by electronic means or for any other more general purpose.

Appendix 1

Explanatory notes to the Notice of Annual General Meeting

The notes on the following pages give an explanation of certain of the proposed resolutions.

Resolutions 1 to 14 and 18 to 19 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 15 to 17 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Declaration of final dividend (Resolution 2)

The Board recommends a final dividend of 30.0p per ordinary share. Subject to approval by shareholders, the final dividend will be paid on 18 May 2012 to shareholders on the register on 27 April 2012.

Re-election of Directors (Resolutions 3 to 10)

The Company's Articles of Association require each director to submit himself/herself for election by shareholders at the first annual general meeting after his or her appointment and for re-election at every third annual general meeting thereafter. The Board has agreed however, in accordance with the UK Corporate Governance Code, to submit all of its continuing directors for re-election at the AGM irrespective of their date of appointment and length of service on the Board. Separate resolutions will be proposed for each of these re-elections. As described in the Corporate Governance Statement in the Company's report and accounts 2011, the Board believes that the performance of the non-executive directors continues to be effective and that they demonstrate commitment to their roles. The directors' biographies are set out on pages 46 and 47 of the Company's report and accounts 2011.

Authority to allot shares (Resolution 14)

An ordinary resolution will be proposed to renew the directors' authority to allot share capital in the Company in accordance with section 551 of the Act. Paragraph (a) of this resolution would give directors the authority to allot shares or grant rights to subscribe for or convert any securities into shares up to an aggregate nominal amount equal to £720,319.25 (representing 14,406,385 shares). This amount represents approximately one third of the total issued share capital of the Company as at 5 March 2012, the latest practicable date prior to the date of this notice.

In line with guidance issued by the Association of British Insurers ('ABI'), paragraph (b) of this resolution would give the directors the authority to allot shares or grant rights to subscribe for or convert any securities into shares in connection with a rights issue, up to an aggregate nominal amount equal to £1,440,638.50 (representing 28,812,770 shares), as reduced by the nominal amount of any shares issued under paragraph (a) of this resolution. This amount (before any reduction) represents approximately two thirds of the total issued share capital of the Company as at 5 March 2012, the latest practicable date prior to the date of this notice.

The authorities sought under this resolution will expire at the earlier of close of business on 3 August 2013 and the conclusion of the annual general meeting of the Company to be held in 2013. The directors currently have no intention of issuing further shares or granting rights over shares other than in connection with the Company's employee share option and share incentive schemes. However, if the directors do exercise the authority granted by the resolution, the directors intend to follow ABI recommendations concerning its use.

As at 5 March 2012, being the latest practicable date prior to the date of this notice, the Company held no shares in treasury.

Disapplication of pre-emption rights (Resolution 15)

This resolution will give the directors the authority to allot shares (or sell any shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings.

As in previous years, this authority would be limited to allotments or sales in connection with pre-emptive offers or otherwise up to an aggregate nominal amount of £108,047.90. (representing 2,160,958 shares). This aggregate nominal amount represents approximately 5% of the total issued share capital of the Company as at 5 March 2012, the latest practicable date prior to the date of this notice. In respect of this aggregate nominal amount, the directors confirm their intention to follow the provisions of the Pre-emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling three year period where the Principles provide that usage in excess of 7.5% should not take place without prior consultation with shareholders.

The authorities sought under this resolution will expire at the earlier of close of business on 3 August 2013 and the conclusion of the annual general meeting of the Company to be held in 2013.

Share repurchase authority (Resolution 16)

A special resolution will be proposed to authorise the Company to buy back its shares in the market, either for cancellation or to be held in treasury. Whilst the directors have no current intention of using this authority to make market purchases, this resolution provides the flexibility to allow them to do so in the future. However, the directors will exercise this authority only if they consider that to do so would be in the best interests of the Company, and of its shareholders, and expect such purchases to result in an increase in earnings per share.

Under the terms of the resolution, the Company will be generally authorised to make market purchases of up to 4,321,915 shares with an aggregate nominal value of £216,095.75, representing approximately 10% of the total issued share capital of the Company as at 5 March 2012, the latest practicable date prior to the date of this notice. The maximum price payable per share will be based on the market price of a share as set out in more detail in the resolution itself.

As at 5 March 2012, the number of outstanding options to subscribe for shares granted by the Company was 1,579,342 shares. This figure represents 3.7% of the total issued share capital of the Company at that date and would, assuming no further shares are issued, represent 3.3% of the total issued share capital if full authority to purchase shares (under the existing authority and that sought at the annual general meeting) was used.

The authority will expire at close of business on 3 August 2013 or, if earlier, at the conclusion of the annual general meeting of the Company to be held in 2013.

As at 5 March 2012, being the last practicable date prior to the date of this notice, no shares had been purchased and held as treasury shares or cancelled under the existing authority.

Notice of general meetings (Resolution 17)

Changes made to the Act by the Companies (Shareholders' Rights) Regulations 2009 have increased the notice period required for general meetings of the Company (other than annual general meetings) to 21 days, unless shareholders approve a shorter notice period (which cannot be less than 14 clear days).

Resolution 17 will allow the Company to call general meetings (other than annual general meetings) on 14 clear days' notice. The resolution will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed. The 14 clear days' notice period will not be used as a matter of routine, but only where the flexibility is merited by the business of the meeting and is thought to be in the best interests of the Company and of its shareholders as a whole.

Political donations (Resolution 18)

Under section 366 of the Act, the Company is required to seek shareholders' authority for any political donations and/or political expenditure made by the Company in the European Union.

Although the Company does not make and does not intend to make, donations to political parties within the normal meaning of that expression or to independent election candidates, the legislation is very broadly drafted and may catch activities such as funding seminars and other functions to which politicians are invited, supporting certain bodies involved in policy review and law reform and matching employees' donations to certain charities.

Therefore, in accordance with current best practice, the directors have decided to propose an ordinary resolution to authorise the Company to make certain types of political donations and/or expenditure as more particularly described in the resolution up to an aggregate amount of £25,000.

Amendment to the Morgan Sindall Executive Remuneration Plan 2005 (Resolution 19)

Senior executives have been granted long-term incentive awards under the Morgan Sindall Executive Remuneration Plan 2005 (the 'ERP') since 2005 (when the ERP was approved by shareholders). Performance share awards over shares worth 75% of an executive's base salary have been granted each year, with participants being given the choice of either receiving the performance share awards or electing to receive 'market value' share options at the rate of four options for every performance share award.

The remuneration committee has reviewed its policy under the ERP and has made a number of changes, including the removal of the ability for an executive to choose to receive 'market value' share options and a proposal to increase the normal annual award level under the ERP from 75% to 100% of base salary each year. In order to accommodate this higher award level, the individual limit contained in the ERP rules must be increased. Whilst there is no intention to grant awards in excess of 100% of base salary, the remuneration committee considers that a higher limit of 150% of salary would be sensible, to be able to make one-off awards in excess of the normal award level in exceptional circumstances, such as recruitment or acute retention. The Company will consult with major shareholders should the normal grant policy increase above 100% of base salary.

Further details of this proposal and the other changes introduced to the executive directors' remuneration structure are set out in the directors' remuneration report on pages 53 to 58 of the Company's annual report and accounts 2011. The proposed rule amendment being put to shareholders for approval in Resolution 19, to increase the maximum market value of shares (measured at the time awards are granted) over which performance share awards may be granted to an executive in any year to 150% of annual base salary, is set out in the copy of the rules which will be available for inspection as referred to in the notes to the Notice of AGM above.
